It is also your right to be informed in sufficient detail about the risks of communicating via email with your healthcare provider or office, and how LifeWay Counseling Centers, Inc. will use and disclose provider/patient email.

**If you have an urgent or an emergency situation, call 911 or go to your nearest emergency room for treatment.** Email should not be used to request assistance or to describe an urgent or emergency situation since response to emails between you and your health care provider may be hours or days apart.
